Our price guide illustrates fees associated with typical dental and cosmetic procedures. Whilst these may be used as a guide, everyone's treatment requirements are unique and range in complexity. You will, however, always be kept fully informed following your consultation of all costs and be provided with an estimate of any proposed work. Estimates for dental implants, due to their highly technical and complex nature, are provided following consultation only.

Please be aware that missed appointments or failure to give adequate notice (minimum 24 hours) may result in fees being incurred and treatment suspended.

PORTWALL CARE PLAN

£20.95 pcm¹ (£6.20 for children). Adult members of the Portwall Dental Care Plan receive x2 routine examinations and x2 hygiene treatments per annum plus a discount of 20% on our standard treatment rates².

Please ask for further details or visit our web site at: www.portwall.co.uk.

¹ Effective from 01 APR 2026

² Excluding Specialist Treatments, Implants & Invisalign Clear Aligners
